DECORATIVE ARTS CENTER OF OHIO

Soon, I am going to visit the Decorative Arts Center of Ohio. It is a **museum**.

I am going to see an **exhibition** at the **museum**.

The museum is **red brick** and the entrance is in the **back** of the building.

The **museum** is always free to visit. If you would like to give a donation you can, but it's ok you don't have to.

LOBBY

A greeter will meet you in the lobby.

The lobby is also a safe quiet space during your visit. Here you can find communication cards and sensory items. Just in case you need a break.

If you would like to carry something to keep your hands busy, that is ok. We have some to borrow at the **greeters** desk.

The **greeter** will meet you in the **lobby**. This is where you can find communication cards for people that communicate non-verbally.

The **greeter** can share directions and has interesting information.

It's important that you don't touch the objects in the exhibition.

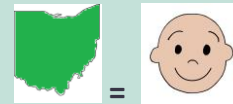

DOCENTS

Docents are trained volunteers that give tours and answer questions.

It's ok if you don't want a tour, but docents are there if you have a question or want to have a tour.

Pick up a sensitivity sticker.

I'm happy to be approached for conversations

Please approach me with care, check in before you start talking to me.

Please do not engage with me right now.
